प्रधानाचार्या की कलम से

प्रिय विद्यार्थियों, अभिभावकों एवं विद्यालय परिवार के सम्मानित सदस्यों,

मई माह हमारे विद्यालय के लिए उपलब्धियों, नवाचारों और प्रेरणादायक सफलताओं का माह रहा। इस अवधि में विद्यार्थियों ने शिक्षा, खेल, विज्ञान, तकनीकी नवाचार, कौशल विकास तथा सांस्कृतिक गतिविधियों में उल्लेखनीय प्रदर्शन कर विद्यालय का गौरव बढ़ाया।

बोर्ड परीक्षाओं के उत्कृष्ट परिणामों ने विद्यार्थियों की मेहनत, शिक्षकों के समर्पण और अभिभावकों के सहयोग को सार्थक सिद्ध किया। खेल क्षेत्र में विद्यार्थियों का राष्ट्रीय स्तर के लिए चयन उनकी प्रतिभा और अनुशासन का परिचायक है। विज्ञान एवं नवाचार के क्षेत्र में विद्यार्थियों द्वारा विकसित परियोजनाओं तथा कृत्रिम बुद्धिमत्ता आधारित गतिविधियों ने उनकी रचनात्मक सोच और भविष्य के प्रति तैयारी को प्रदर्शित किया।

नई शिक्षा नीति के अनुरूप कौशल विकास एवं व्यावसायिक शिक्षा को सुदृढ़ बनाने के लिए विशेषज्ञ व्याख्यानों का आयोजन किया गया। विद्यार्थियों के व्यक्तित्व विकास और शैक्षणिक प्रगति को प्रोत्साहित करने हेतु इस सत्र के प्रथम “माह के श्रेष्ठ विद्यार्थी” सम्मान वितरित किए गए तथा मार्गदर्शक-प्रशिक्षु योजना को प्रभावी रूप से आरम्भ किया गया। साथ ही, शिक्षकों और विद्यार्थियों की संयुक्त पहल से विद्यालय की आधिकारिक वेबसाइट का सफलतापूर्वक शुभारंभ किया गया, जो डिजिटल नवाचार की दिशा में एक महत्वपूर्ण कदम है।

स्वास्थ्य जागरूकता, नशा निवारण, सांस्कृतिक गतिविधियों तथा सामाजिक उत्तरदायित्व से जुड़े कार्यक्रमों में विद्यार्थियों की सक्रिय भागीदारी ने यह सिद्ध किया कि शिक्षा का उद्देश्य केवल परीक्षा में सफलता नहीं, बल्कि एक जागरूक, संवेदनशील और उत्तरदायी नागरिक का निर्माण भी है।

इन सभी उपलब्धियों के लिए मैं विद्यार्थियों, शिक्षकों, अभिभावकों, विद्यालय प्रबंधन समिति तथा विद्यालय के सभी सहयोगियों को हार्दिक बधाई एवं शुभकामनाएं देती हूँ। मुझे विश्वास है कि हम सभी मिलकर उत्कृष्टता, नवाचार और संस्कारों की इस यात्रा को निरंतर नई ऊँचाइयों तक पहुँचेंगे।

डॉ. रशिमा राणा

प्रधानाचार्या

पीएम श्री राजकीय उत्कृष्ट वरिष्ठ माध्यमिक विद्यालय दूध, शिमला

विद्यालय समुदाय के संदेश

श्रीमती कमलेश कुमारी

मुख्य अध्यापिका,
राजकीय केंद्रीय प्राथमिक पाठशाला टूटू

प्रिय विद्यार्थियों, अभिभावकों एवं विद्यालय परिवार के सम्मानित सदस्यों,

“सृजन दर्पण” के प्रथम मासिक अंक के प्रकाशन पर मैं पीएम श्री राजकीय उत्कृष्ट वरिष्ठ माध्यमिक विद्यालय टूटू परिवार को हार्दिक बधाई एवं शुभकामनाएँ देती हूँ। यह पहल विद्यालय की उपलब्धियों, नवाचारों तथा विद्यार्थियों की प्रतिभाओं को एक साझा मंच प्रदान करने का सराहनीय प्रयास है।

पीएम श्री जी.एस.एस.एस. टूटू के विद्यालय संकुल का भाग होने के कारण हमारे विद्यार्थियों को संसाधन साझाकरण, संयुक्त शैक्षणिक गतिविधियों, सांस्कृतिक कार्यक्रमों, खेल प्रतियोगिताओं तथा नवाचार आधारित गतिविधियों में सहभागिता के अनेक अवसर प्राप्त हो रहे हैं। विद्यालय स्तर पर आयोजित संयुक्त प्रार्थना सभाओं एवं साझा गतिविधियों ने विद्यार्थियों में अनुशासन, नेतृत्व क्षमता, आत्मविश्वास तथा सहयोग की भावना को सुदृढ़ किया है।

पीएम श्री विद्यालय द्वारा उपलब्ध कराई जा रही शैक्षणिक सुविधाएँ, प्रयोगशालाएँ, नवाचार गतिविधियों तथा समग्र शिक्षा की अवधारणा हमारे विद्यार्थियों के सर्वांगीण विकास में महत्वपूर्ण योगदान दे रही हैं।

मुझे विश्वास है कि “सृजन दर्पण” विद्यालय समुदाय के मध्य संवाद, प्रेरणा और उत्कृष्टता का एक प्रभावी माध्यम सिद्ध होगा।

सादर,

(श्रीमती कमलेश कुमारी)

मुख्य अध्यापिका
राजकीय केंद्रीय प्राथमिक पाठशाला टूटू

सहयोग • सहभागिता • उत्कृष्टता

श्रीमती बबीता राठौर

अध्यक्ष
विद्यालय प्रबंधन समिति (SMC)

प्रिय अभिभावकों, विद्यार्थियों एवं विद्यालय परिवार,

“सृजन दर्पण” के शुभारंभ पर मैं पीएम श्री राजकीय उत्कृष्ट वरिष्ठ माध्यमिक विद्यालय टूटू परिवार को हार्दिक बधाई देती हूँ। यह मासिक पत्रिका विद्यालय की गतिविधियों, उपलब्धियों तथा विद्यार्थियों की रचनात्मक अभिव्यक्तियों को समाज के समक्ष प्रस्तुत करने का एक उत्कृष्ट प्रयास है।

विद्यालय में शिक्षा, खेल, विज्ञान, नवाचार, व्यावसायिक शिक्षा, पर्यावरण संरक्षण तथा सांस्कृतिक गतिविधियों के क्षेत्र में निरंतर उल्लेखनीय कार्य किए जा रहे हैं। विद्यार्थियों की उपलब्धियों, अनुशासन, नैतिक मूल्य तथा विद्यालय द्वारा अपनाई गई नवाचारपूर्ण पहले वास्तव में प्रशंसनीय हैं।

विद्यालय प्रबंधन समिति सदैव विद्यालय के विकास, विद्यार्थियों के हित तथा गुणवत्तापूर्ण शिक्षा के लिए विद्यालय प्रशासन के साथ कंधे से कंधा मिलाकर कार्य करने के लिए प्रतिबद्ध हैं।

मैं आशा करती हूँ कि “सृजन दर्पण” विद्यालय की उत्कृष्ट उपलब्धियों को नई पहचान देगा तथा विद्यार्थियों को अपनी प्रतिभा प्रदर्शित करने के लिए निरंतर प्रेरित करेगा।

सादर,

(श्रीमती बबीता राठौर)

अध्यक्ष

विद्यालय प्रबंधन समिति (SMC)

From the Editor

Smt. Anita Thakur
Lecturer English

Dear Students, Parents and Members of the School Family,

It is with immense joy and pride that I present to you the first issue of our monthly magazine "Srijan Darpan". As the Editor, I feel truly honoured to be part of this wonderful initiative that reflects the creativity, hard work and collective spirit of our school community.

This magazine is more than just a collection of articles; it is a mirror to our school's vibrant activities, achievements, values and dreams. It gives every student a platform to express, every teacher a space to share and every reader a reason to connect.

PM SHRI GSSS Totu is on a path of continuous growth—academically, culturally, creatively and ethically. Through innovation, inclusive education, sports, art, and value-based learning, our students are being prepared not just for exams, but for life.

The purpose of "Srijan Darpan" is to spread awareness about the PM SHRI vision and the holistic development it stands for—nurturing responsible citizens, confident individuals and lifelong learners.

I extend my heartfelt thanks to all contributors and well-wishers. Let us continue to inspire and be inspired!

With Warm Regards,
Smt. Anita Thakur
Editor

Spreading awareness about the PM SHRI vision

Promoting holistic development

From the Co-Editor

Mr. Sagar Sushant Shukla
VT Telecom

Dear Readers,

I am delighted to be the Co-Editor of our school's monthly magazine "Srijan Darpan". This initiative is a proud step towards building a strong bridge between the school and its wider community.

Our school is constantly working for the all-round development of every child. From smart learning and digital initiatives to sports, cultural events, innovation labs and community service, each activity reflects the PM SHRI vision of quality and holistic education.

Through "Srijan Darpan", we aim to share stories that inspire, inform and create awareness about the values and opportunities our PM SHRI school offers.

We are pleased to inform you that the digital copy of this monthly magazine will also be uploaded on the official website of our school. This will help us reach more students, parents and readers beyond our school, and keep everyone connected with our journey of excellence.

The purpose of this magazine is to spread awareness about the PM SHRI school and the holistic development it stands for—ensuring every child grows with knowledge, values, confidence and compassion.

I thank the entire team and everyone who made this possible. Let's move forward together and make every issue even better!

With Best Wishes,
Mr. Sagar Sushant Shukla

From the Editorial Team

We, the members of the “Srijan Darpan” Editorial Committee, are truly excited and proud to be a part of this new initiative. This magazine is a platform to showcase the talents, achievements, and values of our school community. Through “Srijan Darpan”, we aim to spread awareness about the PM SHRI vision and the holistic development it stands for—academically, culturally, creatively, physically and ethically. Together, we will make this magazine a source of inspiration for all.

MOMENTS OF PRIDE

Major Achievements and Milestones – May 2026

1. Academic Excellence in Class XII Board Examination

The Class XII Board Examination results brought immense pride to the school, reflecting the dedication of students and the unwavering commitment of teachers.

Smriti Thakur emerged as the School Topper with **94.2%**, followed by **Mehak Thakur (88.6%)** and **Yashika Sharma (87.8%)**. The Humanities stream achieved a 100% pass percentage, while the school recorded an overall result of 91.1%, with 37 students securing First Division.

The result reaffirms the school's commitment to academic excellence and holistic student development.

2. Four Students Selected for National Shooting Ball Championship

Our talented athletes continued to shine by securing positions at the national level.

Vikas, Akshay, and Rohit (U-19 category), along with **Chhavi Darshan** (U-17 category), were selected to represent Himachal Pradesh at the National Shooting Ball Championship in Andhra Pradesh following their outstanding performance in the state selection trials.

Their achievement reflects the school's growing excellence in sports and athletic development.

3. Celebrating Excellence through Student of the Month

The school continued its unique tradition of recognizing outstanding student performance through the Student of the Month initiative.

Started two years ago by **Principal Dr. Rashima Rana**, the initiative was expanded this year to include primary classes, ensuring that students from Class I to XII receive recognition for **excellence, discipline, leadership, and overall performance**.

Recognition inspires students to strive for excellence and develop confidence in their abilities.

4. Innovation Reaches New Heights

Innovation and creativity took center stage as a student project gained state-level recognition.

Puneet of Class X secured Second Position at the State Level RSBVP 2025-26 for his project, **"QR Dose Manager – AROQ Smart Medicinal Box,"** and qualified for the National Level competition.

The achievement highlights the culture of innovation and problem-solving promoted within the school.

5. Launch of the Mentor-Mentee Programme

A new initiative was introduced to strengthen student support and personal guidance.

Under the Mentor-Mentee Programme, every teacher has been assigned a group of students to mentor throughout the year, focusing on academic progress, discipline, career guidance, emotional well-being, and overall development.

The initiative ensures that every student receives personalized attention and support.

6. Expert Lecture on Skill Development and Vocational Integration

Students gained valuable insights into future career opportunities through an inspiring expert interaction.

Dr. Joginder Saklani, Associate Professor from Himachal Pradesh University, delivered an engaging lecture on Skill Development and Vocational Integration under the National Education Policy 2020.

The session encouraged students to explore skill-based learning and career-oriented education.

निहारिका 91 प्रतिशत लेकर रही टुटू स्कूल में प्रथम

शिमला : पीएमश्री गवर्नमेंट सीनियर्स सेकेंडरी स्कूल आफ एक्सीलेंस टुटू का दसवीं कक्षा का वार्षिक परिणाम बढ़िया रहा है। प्रधानाचार्य डा. रशिमा राणा ने बताया कि स्कूल की मेधावी छात्रा निहारिका ने 91 प्रतिशत लेकर प्रथम, रिया कुमारी ने दूसरा और स्वाति ने तीसरा स्थान प्राप्त किया है।

निहारिका और रिया कुमारी • जागरण

7. Excellent Performance in Class X Board Examination

The Class X Board Examination results showcased the hard work and determination of our students.

Niharika secured the first position with 91%, followed by Riya Kumari with 87% and Swati with 80%. The school achieved an overall result of 86.8%.

The results demonstrate the strong academic foundation being built at the school.

8. AI Mela 2026: Showcasing Innovation and Digital Excellence

The AI Mela provided students with a platform to explore emerging technologies and artificial intelligence.

Students from Classes VI to XII showcased AI-based projects and digital innovations. A major highlight was the development of the school's official website by Class XII student **Anshuman Garg** under the guidance of **Mr. Sagar Shukla**. The website successfully integrates a fully digital Mentor-Mentee Management System.

The event fostered innovation, technological literacy, and future-ready skills among students.

9. World No Tobacco Day and Ek Bharat Shreshtha Bharat Activities

Students actively participated in awareness and cultural activities promoting healthy lifestyles and national integration.

Declamation, Painting, and Slogan Writing competitions were organized to spread awareness about the harmful effects of tobacco while celebrating the spirit of Ek Bharat Shreshtha Bharat.

The activities encouraged responsible citizenship, creativity, and social awareness among students.

10. Expanding Opportunities Through Sports Infrastructure Development

The school continued its commitment to promoting sports and physical well-being.

Work commenced on the extension of the school's second playground with the support of the School Management Committee, community stakeholders, and local representatives.

The expanded sports infrastructure will provide greater opportunities for participation and talent development.

New Initiatives

Under

PM SHRI

★ DICE Initiative: Bridging Schools and Higher Education

PM SHRI Government Senior Secondary School of Excellence, Totu, has been selected under the prestigious **DICE (Development of Institutional Collaboration and Engagement)** Initiative of the Ministry of Education.

Our school is the **only institution from Shimla District** selected under this programme and has been mapped with **Jaypee University of Information Technology (JUIT), Solan**.

This collaboration aims to strengthen the vision of the **National Education Policy 2020 (NEP 2020)** by fostering meaningful partnerships between schools and higher education institutions.

DICE

(Development of Institutional Collaboration and Engagement)
Initiative of the Ministry of Education

MAPPED WITH
JAYPEE UNIVERSITY OF
INFORMATION TECHNOLOGY
(JUIT), SOLAN

Through this initiative, students will gain valuable exposure to:

Research & Innovation

Scientific Thinking

Mentorship & Guidance

Skill Development

Career Guidance

Exposure to Emerging Technologies

The programme will create opportunities for **experiential learning** and **meaningful interactions** with **experts** from academia and industry.

This achievement reflects the **collective efforts** of our students, teachers, parents, School Management Committee, and all stakeholders who continuously contribute towards the **growth and excellence** of our institution.

★ *From Classrooms to Innovation Labs* ★

BUILDING THE LEADERS

**PM
SHRI**

Creating holistic and well-rounded individuals equipped with key 21st Century skills

SEE LEARNING: *Educating the* **HEART & MIND** *Together*

Nurturing Compassion • Building Resilience • Inspiring Values

As education evolves to meet the needs of the 21st century, equal importance must be given to emotional well-being, ethical values, and social awareness. In this direction, PM SHRI GSSS Totu has embraced the principles of **SEE Learning** (Social, Emotional, and Ethical Learning), a transformative framework aligned with the vision of **NEP 2020**.

Recently, **Mrs. Ritu Amret**, Lecturer (Hindi), participated in a **SEE Learning** training programme organized by the Education Department. The programme emphasized three key dimensions of student development—**emotional balance**, **social understanding**, and **ethical awareness**.

The initiative encourages students to recognize and manage their emotions, develop **empathy** towards others, and make **responsible decisions** as compassionate global citizens. Inspired by the training, efforts are being made to incorporate mindfulness practices, meaningful classroom interactions, and **value-based learning** experiences into everyday teaching.

SEE Learning goes beyond academic achievement. It nurtures students who are not only knowledgeable but also **kind**, **resilient**, and **socially responsible**. By integrating heart and mind, the initiative supports the holistic development of learners and contributes to creating a **positive, inclusive, and caring** school environment.

- ★ Interactive & engaging learning experience
- ★ Supports self-paced and concept-based learning

*New Initiatives. New Possibilities.
Empowering Minds. Shaping Futures.*

SCIENCE CORNER

Ideas today, Innovations tomorrow

1. ARTIFICIAL INTELLIGENCE: THE FUTURE WE ARE BUILDING TODAY

By Anshuman Garg, Class XII

We are living in an era where technology is transforming every aspect of our lives. Among the most revolutionary innovations of our time is Artificial Intelligence (AI). From virtual assistants and self-driving vehicles to healthcare and education, AI is rapidly shaping the future.

As students, we are not merely consumers of technology; we are future innovators. AI has the potential to solve complex problems, improve efficiency, and create opportunities that were unimaginable a few decades ago. However, with this power comes responsibility. It is important that AI is used ethically and for the benefit of society.

Through initiatives such as the AI Mela and digital learning platforms, students are gaining exposure to emerging technologies and developing skills that will be essential in the future workforce.

The future belongs to those who are willing to learn, adapt, and innovate. Artificial Intelligence is not replacing human intelligence—it is enhancing it.

“ The best way to predict the future is to create it. ”

2. CLIMATE CHANGE: A CHALLENGE FOR OUR GENERATION

By Niharika, Class XI

Climate change is one of the greatest challenges facing humanity today. Rising temperatures, melting glaciers, unpredictable weather patterns, and increasing natural disasters are clear indicators that our planet needs immediate attention.

Science has helped us understand the causes and consequences of climate change, but solutions require collective action. Simple steps such as conserving energy, reducing plastic usage, planting trees, and adopting sustainable lifestyles can make a significant difference.

As students, we have a unique role to play. We can become ambassadors of environmental awareness within our families and communities. Schools are ideal places to cultivate eco-friendly habits and inspire responsible citizenship.

The future of our planet depends on the choices we make today. Every small effort contributes to a larger movement towards sustainability and environmental protection.

“ There is no Planet B; the Earth is our shared responsibility. ”

3. THE WONDER OF SPACE EXPLORATION

By Lakshay Kaundal, Class X

Since ancient times, humans have looked at the night sky with curiosity and wonder. Today, science has enabled us to explore distant planets, study stars, and understand the mysteries of the universe.

Space exploration has led to numerous discoveries and technological advancements that benefit life on Earth. Satellites help us communicate, navigate, predict weather, and monitor environmental changes. Missions to the Moon and Mars continue to expand our knowledge and inspire future generations.

For young students, astronomy teaches us an important lesson: there is always more to discover. Every question leads to another mystery waiting to be solved. Science encourages us to dream beyond boundaries and explore the unknown.

The universe reminds us that learning is an endless journey and that curiosity is the first step towards discovery.

“ The sky is not the limit; it is only the beginning. ”

COMMERCE CORNER

Learn Today, Lead Tomorrow

1. FINANCIAL LITERACY: THE KEY TO A SECURE FUTURE

Himanshu

Class XII

“A smart tomorrow begins with wise financial decisions today.”

In today's fast-changing world, financial literacy is no longer an option—it is a necessity. Understanding money, saving, investing, and budgeting are essential life skills that empower us to make informed decisions.

As commerce students, we learn that money is not just about earning, but about managing it wisely. Concepts like compound interest, mutual funds, insurance, and taxation help us plan our present and secure our future.

Being financially aware helps us avoid debt traps, achieve our goals, and contribute to the economy. It also helps us become independent and responsible citizens.

Let us remember, financial freedom does not come from how much we earn, but from how well we manage what we have.

“Financial knowledge is the best investment.”

2. DIGITAL COMMERCE: SHAPING THE NEW BUSINESS WORLD

Nitika Verma

Class XII

“Adapt to change, embrace technology, and lead the future.”

The rise of the internet and technology has transformed the way businesses operate. Digital commerce or e-commerce has opened new opportunities for entrepreneurs and consumers worldwide.

From online shopping and digital payments to social media marketing and online banking, technology has made business faster, easier, and more accessible.

As future business leaders, we must understand digital tools, consumer behavior, and global trends to stay ahead in the competitive world.

Digital commerce is not just about buying and selling online—it's about creating value, building trust, and delivering convenience.

**“The best time to start was yesterday.
The next best time is now.”**

3. ENTREPRENEURSHIP: TURNING IDEAS INTO REALITY

Prisha Joshi

Class X

**“Dream it. Plan it.
Work for it. Achieve it.”**

Entrepreneurship is all about identifying a problem and creating a solution that adds value to people's lives. It requires creativity, courage, hard work, and a positive mindset.

Many successful businesses began with small ideas and big dreams. What matters most is passion, planning, and perseverance.

As students, we can develop entrepreneurial skills by participating in competitions, business fairs, and school projects. These experiences build confidence and help us think innovatively.

The future belongs to those who are not afraid to take risks and turn their ideas into reality.

“Be a creator, not just a consumer.”

Learn / Plan / Grow / Succeed
Commerce creates opportunities.

HUMANITIES CORNER

— Empathy. Understanding. Empowerment. —

1. THE POWER OF HISTORY: LEARNING FROM THE PAST, BUILDING THE FUTURE

Deepika Sharma

Class XII

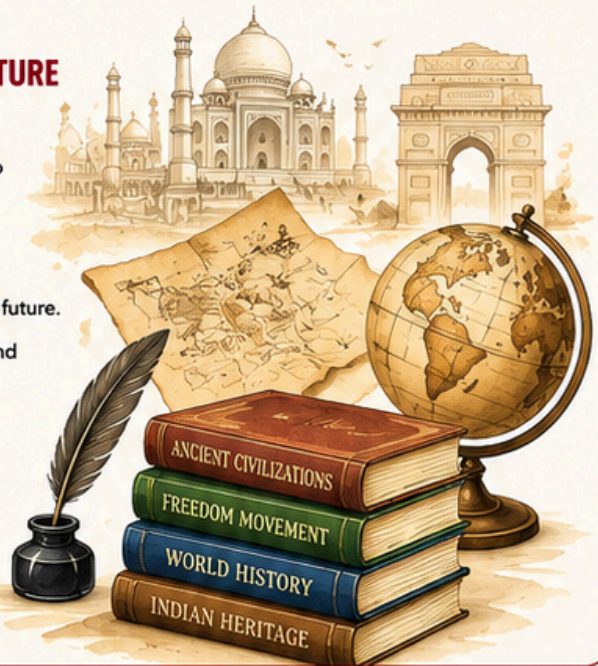

History is not just about dates and events; it is the story of human civilizations, struggles, achievements, and lessons that continue to shape our world today.

By studying history, we develop a deeper understanding of our culture, identity, and the world around us. It helps us learn from mistakes, appreciate progress, and make better decisions for the future.

As students of Humanities, it is important to question, analyze, and interpret historical events with an open and critical mind.

The past is our teacher. The present is our responsibility.
The future is in our hands.

*“Those who do not remember the past
are condemned to repeat it.”*

2. LITERATURE: WORDS THAT INSPIRE AND TRANSFORM

Ishita Sharma

Class XII

Literature is the mirror of society and the window to human emotions. It allows us to experience different lives, cultures, and perspectives through the power of words.

From ancient texts to modern writings, literature connects us to ideas that transcend time and space. It nurtures empathy, creativity, and critical thinking.

As Humanities students, reading and analyzing literature helps us express ourselves better and understand the complexities of life and human nature.

*“A room without books is like
a body without a soul.”*

3. SOCIOLOGY: UNDERSTANDING SOCIETY, BUILDING A BETTER WORLD

Diksha

Class XII

Sociology helps us understand the structures, relationships, and dynamics that shape our society. It encourages us to think beyond ourselves and work towards social progress and equality.

By studying society, culture, institutions, and social issues, we become more aware and responsible citizens.

As young learners, we have the power to challenge injustices, promote inclusivity, and contribute to building a harmonious and just society.

*“The goal of sociology is not just to
understand the world, but to change it.”*

Humanities builds human beings.

NEW INITIATIVES. STRONGER TOGETHER.

1. SCHOOL WEBSITE

*One School. One Platform.
Connected Always.*

We are proud to announce the launch of our new school website – a smart, user-friendly platform that keeps our school community connected and informed.

Easy access to school information, updates, events & resources.

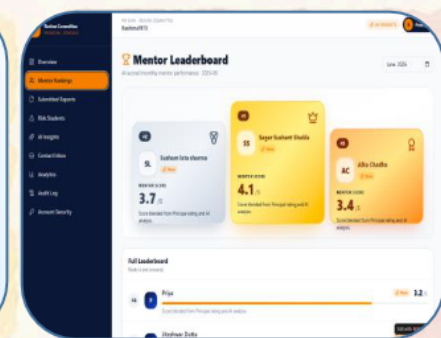

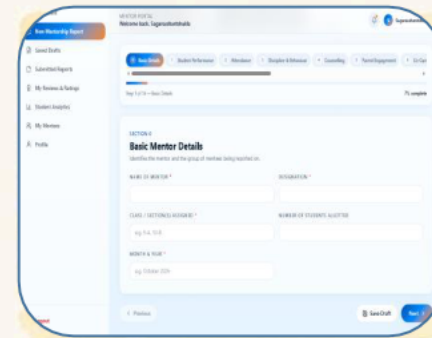

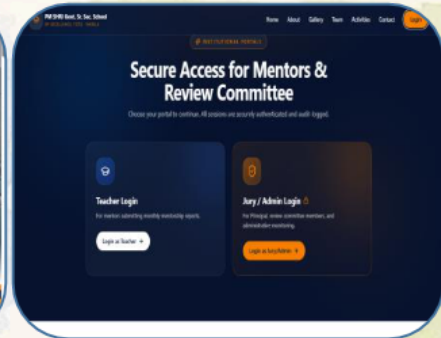

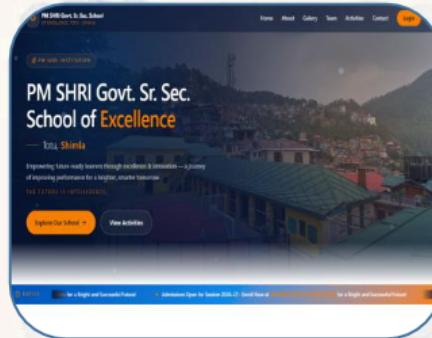

Gallery, achievements, academics, and much more at your fingertips.

Accessible on all devices – anytime, anywhere.

Visit us at: pmsgrigsstotu.site

Informing today. Inspiring tomorrow.

2. MENTOR & MENTEE PROGRAM

Guiding Today. Shaping Tomorrow.

At our school, every student matters and every journey is guided. Under the Mentor & Mentee Program, each teacher is assigned 7–8 students as their mentees and becomes their guide, supporter, and role model.

Our Mentors Support Mentees In:

- Academic Progress & Goal Setting
- Discipline & Positive Behaviour
- Emotional Well-being & Counseling
- Personal Growth & Confidence Building
- Regular Interaction & Feedback

DIGITAL. TRANSPARENT. ACCOUNTABLE.

Our mentor–mentee program is fully digital and managed through our new school website.

FOR TEACHERS (MENTORS)

- Access the portal with secure login.
- Fill the online mentor reports for assigned mentees.
- Record academic, behavioral & counseling observations.

FOR JURY MEMBERS

- Access the portal with secure login.
- Review mentor reports & mentee progress.
- Provide valuable feedback at the end of each month.

MONTHLY REVIEW & RECOGNITION

At the end of every month, jury members evaluate reports and feedback to identify and recognize the **Best Mentor & Best Mentee.**

BENEFITS

Strong Mentor–Mentee Bonds

Improved Academic & Personal Growth

Better Discipline & Confidence

Emotional Support & Well-being

Recognition of Efforts & Excellence

Together we mentor. Together we grow. Together we succeed.

YOGA FOR LIFE

Building Healthy Minds, Strong Bodies, and Balanced Lives

At PM SHRI GSSS Totu, yoga is an integral part of our daily routine and holistic education. It helps students develop physical fitness, mental clarity, self-discipline and emotional balance. Through regular practice, we learn to connect with our inner self and lead a healthier, happier and more meaningful life.
